

Jeannine A. Maudlin

Director of Administration

Jeannine is the Director of Administration for the Lakeshore Advantage team. Her responsibilities include maintaining records, data entry and research analysis as well as assisting the team in developing presentations and coordinating events. Jeannine also plays a key role in Finance Committee support, Investor Tracking, and Invoice Management.

Prior to joining Lakeshore Advantage, Jeannine developed a highly successful recreational therapy program with an independent retirement community. While in this capacity, she served residents in the early stages of dementia with a structured program designed to help maintain cognitive functions. The program resulted in participants maintaining their independence longer, enabling them to live independently.

Jeannine holds a Bachelor's degree from Grand Valley State University, with a double major in Psychology and Therapeutic Recreation. Jeannine is an active volunteer at her daughter's school as a classroom assistant and as a media technician at her church. During her free time, Jeannine enjoys cycling, reading and playing board games.
