

Spectrum Health, Holland Hospital & State of Michigan Collecting PPE Supplies

Due to the high frequency of healthcare visits and the pandemic of COVID-19, there has been a national shortage of personal protective equipment (PPE) that is necessary while helping to stop the curb of this virus.

- Isolation masks adult/child
- Masks with faceshield/visor
- Surgical masks
- Faceshields
- Goggles/safety glasses
- Bouffant caps/head covers
- Shoe covers
- Extended extra protection gloves - all sizes
- Isolation gowns/other gowns
- Bleach wipes
