

Angela Huesman

Angela serves as the Chief Operating Officer at Lakeshore Advantage. In her role, Angela is a strategy implementor and manages the day to day operations.

Since joining the team in 2013 she has served as a talent subject matter expert and leads efforts to help area employers tackle their workforce challenges.

Prior to joining Lakeshore Advantage, Angela spent over a decade as the Director of Corporate Relocation Services for Coldwell Banker Schmidt companies. In her role she worked side by side with area employers to help them attract and retain talent. As a fierce advocate for West Michigan, she understands the challenges our employers face in building up a robust workforce.

Angela has a serves on the Ready for School board, West Michigan Works! workforce development board, is on the Hello West Michigan advisory board and is also a member of the Discover Manufacturing leadership team. She holds a bachelor of science in Business Administration from Baker College and currently lives in Zeeland with her husband and two daughters.
